HPV Vaccine: We Can Do Better!
Summarize current HPV vaccination coverage in South Carolina and the United States. Analyze the evidence for involving the entire office in supporting the delivery of HPV vaccine.

Topics in Adolescent Health: Exploring PrEP and Transcare for Adolescents and Young Adults

Rare Diseases: Finding the Zebras
Present the impact of rare diseases on society. Use genetic/genomic technologies to diagnose rare diseases. Identify the path to treatment of rare diseases.

Transitions for All: Transitional Care as Adolescent Anticipatory Guidance
Describe the importance of providing transitional care counseling to all adolescents. Define the role of transitional care in improving access to primary and preventive care for adolescents and young adults.

Storm in A Pee Cup! Office Evaluation of Hematuria and Proteinuria
Interpret the current guidelines for screening urinalysis, and when to obtain a urinalysis in the pediatric office. Interpret the evaluation of asymptomatic/isolated proteinuria and definitions of abnormal ranges. Explain the evaluation and differential diagnosis of microscopic hematuria. Explain the evaluation and differential diagnosis of gross hematuria. Explain and discuss appropriate referral patterns for hematuria.

Immunization Update: Vaccines, Outbreaks and the Anti-Vaccine Movement
Critically appraise the current immunization schedule and the 2020 changes. Analyze recent vaccine preventable disease outbreaks and school exemptions. Analyze current anti-vaccine activities and how they might affect South Carolina.

Pediatric Otolaryngology for the Pediatrician: An Overview
Identify the most common pediatric otolaryngology problems and understand when to refer to a specialist.

Dysautonomia: A Case by Case Approach
Identify patients with dysautonomia. Determine what tests to perform and therapies to try on patients suspected of having dysautonomia. Identify which patients with dysautonomia might benefit from a referral to a specialist.

AAP Update
Develop skills to assist in advocating for children's health.

PROS Update
Describe the PROS Research Network and its mission.

Healthy Connections Medicaid Update
Discuss political, economic, social and legal factors that impact decisions regarding children's health care in South Carolina.

SC DHEC Update
Recommend community partnership with DHEC that results in improved decisions regarding children's health.

Pediatric Asthma: Approach to Care in the Era of Personalized Medicine
Review pathophysiology of asthma. Review various asthma phenotypes and their impact on response to asthma therapies. Discuss recent updates to asthma care guidelines.

CME CREDIT
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the South Carolina Medical Association and the S. C. Chapter of the American Academy of Pediatrics. The South Carolina Medical Association is accredited by the ACCME to provide continuing medical education for physicians.

The South Carolina Medical Association designates this “live activity” for a maximum of 11.50 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To be compliant with the AMA’s “Physician’s Recognition Award and Credit System,” we require physicians to attest to the amount of time they are claiming credit – which should be commensurate with the extent of time they participate in a CME activity. To assure compliance, we now require all physicians attending or participating in an accredited CME activity, to complete the “contact information” portion of the evaluation and, specifically, sign where indicated on the evaluation.

The 2020 South Carolina Chapter of the American Academy of Pediatrics Annual Meeting is designed for pediatricians.

The South Carolina Chapter of the American Academy of Pediatrics reserves the right to modify speakers, topics, and learning objectives as needed.

The South Carolina Chapter of the American Academy of Pediatrics will gladly assist registrants with special needs. Please make requests in writing on or before June 26, 2020.
